Senior MSL – 12 Month Contract – Dermatology – Northeast England/Scotland

An exciting global pharmaceutical client of mine specialising within Dermatology is now in urgent need of a Senior MSL to come on board their field medical teams.

The ideal Senior MSL will have hands on experience of working across both NHS England and the Scottish Health Boards.

Essential Skills and Experience Required: -

- 3+ years' experience as an MSL.
- Developing and training MSL's and various medical professionals.
- New product launch experience.
- Knowledge and experience of working to the ABPI code of practice.
- Proficient with capturing the discussion process insights.
- Experience setting up round tables and advisory boards.
- Experience with KOL market mapping.
- In-depth knowledge and insight into the Scottish and English healthcare landscape.
- Broad level of stakeholder management.

Desirable Skills and Experience: -

- Existing relationships with Dermatology KOL's.
- Setting up MSL's on study support.
- Existing relationships with decision makers in the Scottish Health Boards.
- Providing training on the medical communication topics to capture the conversations for global MSL teams.

If you feel that you would be suitable for the Senior MSL position, please apply directly. Alternatively, please email if you'd like more information about the Senior MSL role or if you know some who would be suitable as a Senior MSL.
