Company: Elysium Healthcare

Location: Irchester

Category: community-and-social-service

As an Occupational Therapist, you change lives for the better. Join the multidisciplinary team at Greenfields in Irchester, Wellingborough and help people build a brighter future while being supported in your career. It's what delivering great healthcare should feel like.

You will be HCPC registered, passionate about working with people with neurological conditions to support their rehabilitation, condition management and maximise their quality of life.

You'll work in partnership with residents and carers to set realistic goals and develop collaborative intervention plans, with regular reviews to monitor progress and adapt.

Working as a member of the transdisciplinary team, you'll ensure that high quality individualised care is delivered, which ensures safety and a commitment to promoting recovery, wellbeing, and maximising independence/quality of life.

You will be familiar with the use of outcome measures such as FIM/FAM, CRS-R, WHIM and TOMS, and have experience in managing a designated caseload using knowledge of relevant Occupational Therapy theory. You'll also have practical experience of completing assessments, planning, implementing evidence-based Occupational Therapy interventions, and evaluating outcomes aligned to care plans.

With a strong emphasis on teamwork, you'll receive support from a regional network of healthcare professionals and enjoy access to a wide variety of training courses to support you reaching your career goals.

As an Occupational Therapist you will be:

Completing neurological assessments, treatment planning and interventions

Rehabilitation interventions to improve function and independence with ADLs

Cognitive assessment/rehabilitation

Using of therapeutic handling skills

Assessing environment and equipment needs including specialist seating

Identifying ongoing needs whilst maximising quality of life

Liaising with community colleagues to facilitate complex discharge planning

Evaluating outcomes aligned to care plans

Supervising Occupational Therapy support staff and students

Implementing and develop evidence-based therapeutic activities

Where you will be working

Location: 290 Station Rd, Knuston, Irchester, Wellingborough NN29 7EY

Our new Irchester based specialised neurological service, opening in April 2024. Situated within tranquil grounds in the village of Knuston, Northamptonshire. The service will admit men and women with a brain injury or neurological condition, often with co-morbid complex

physical health needs and/or mental health conditions whose behaviour prevents them from progressing to a more community-based placement. The service will support those who require intensive rehabilitation, those that require a longer stay to aid rehabilitation goals as well as respite care packages. The newly refurbished accommodation provides large single bedrooms with en-suite wet rooms, multiple therapy spaces including indoor and outdoor leisure areas. Some ground floor bedrooms have access to a private garden.

Set in beautiful grounds within a small village, within a tranquil setting. Close to Rushden Lakes, the good road links makes it easily commutable from Northampton, Wellingborough and Milton Keynes.

What you will get:

Annual salary of £36,000-£40,000

The equivalent of 33 days annual leave (inc Bank Holidays) – plus your birthday off!

Free meals

Free parking

Wellbeing support and activities to help you maintain a great work-life balance.

Career development and training to help you achieve your career goals.

Pension contribution to secure your future.

Life Assurance for added peace of mind.

Enhanced Maternity Package so you can truly enjoy this special time.

There are also a range of other benefits including retail discounts and special offers, car leasing without a credit check and much more.
