

## Senior Orthopaedic Clinical Fellow - Specialist in Hip and Knee

[Apply Now](#)

Company: HCA Healthcare UK

Location: London

Category: healthcare-practitioners-and-technical

### Job Details

#### Senior Orthopaedic Fellow - Specialist in Hip and Knee

**Employer:** The Princess Grace Hospital, part of the private healthcare group, HCA Healthcare.

**Location:** Central London

**Salary & Rewards:** Competitive base salary, **additional funding for PhD**, suitable candidates with a strong academic track record.

**Contract Type:** Initially 12 months, but can be extended if the successful applicant wishes to complete a higher degree.

This is an excellent opportunity for Senior Fellow / Post CCT trainees to undertake research and clinical work under the primary supervision of Professor Fares Haddad.

The main focus of the role will primarily be in lower limb arthroplasty (including robotic surgery) and sports surgery. There will be access to a weekly operating list at UCLH with exposure to both simple and complex primary and revision hip and knee arthroplasty cases in a busy unit. Working alongside a dedicated research team and playing an integral role in service delivery, the successful candidates will enjoy a multitude of opportunities and be expected to produce high quality research for peer reviewed publication and national/international presentations.

**You will need:**

GMC Registration and License to Practice in the UK

Be a Senior Surgeon / Post CCT trainees

To apply for this position, please send your CV and a covering letter:

### **Company**

**HCA Healthcare Over 50 years of creating a healthier tomorrow.**

Today HCA is the largest private healthcare provider in the world, and the largest provider of privately funded healthcare in the U.K. A world-class network of over 30 facilities in London, Manchester, Wilmslow, Glasgow and Prestatyn, with its latest venture opening in Birmingham in 2024. Uniquely we also partner with the NHS to provide care within large NHS teaching hospitals. No other U.K. provider can match our global scale, breadth and depth of knowledge and expertise. We treat 27 million people each year across our global network, and many of our hospitals are rated 'Outstanding' by the CQC. Covering virtually all aspects of medicine from prevention and diagnosis through to treatment and aftercare in both our Primary and Secondary Care Divisions. Cardiac and Cancer Care, Paediatrics, Orthopaedics, Rehabilitation, Urgent Care, GP and Health screening to Obstetrics, IVF and Maternity care, to name a few.

We can promise by joining the HCA family, you will learn from experts in every department, and your opportunities will be endless. You will be empowered to achieve more in your career and will be provided with outstanding rewards and development support to match the level of care we are famed for.
