leaveJoin, lead and help grow a dynamic team!!'m working with a specialised and ambitious Microsoft Solutions Partner who are looking to significantly expand their PowerPlatform solution offering, as such are looking for a driven Senior PowerPlatform Developer / Team Lead to join their ranks. If you're looking to work for an organisation that will put your development and training first, give you access to cutting edge technologies and be in the inner circle with Microsoft, then look no further! This is a small team within a larger organisation, so you will get an opportunity here to help shape and mould the practice as you see fit.

Position Overview:As a Senior Power Platform Developer / Team Lead you will be responsible for

Leading + Conceptualising the development and implementation of custom solutions using Microsoft Power Platform products and tools. You will work on both internal improvement projects + product development in addition to leading external project delivery.

Key Responsibilities:Experience configuring and using Microsoft Dataverse.Experience with PowerApps Test Studio or other Power Platform testing solutions.Experience in configuring and using other data stores (SQL/SharePoint/Lists).Experience developing and deploying Microsoft Teams Apps.Experience with Azure DevOps (or similar tools) for CI/CD and backlog/progress tracking.Experience with the wider Microsoft 365 platform including SharePoint, Forms, Teams.Experience in configuring and deploying Power BI solutions would be a plus.Experience integrating Power Apps solutions with APIs or third-party solutions.Development experience using Microsoft stack (.NET/C#/TypeScript/SQL Server).Experience leading teams and delivering diverse solutions.Experience with Microsoft

Azure PaaS/Azure Integration Services. Power Platform Certifications would be a plus (PL-900, PL-100, PL-200, PL-400, PL-500). Some Management experience would be desirable but not essential, as long as you are open to it in the future. If you are passionate about leveraging technology to drive business innovation and are looking for an exciting opportunity to grow your career we want to hear from you! Apply now and I look forward to speaking with you about the opportunity soon! What's in it for you? My client is dedicated to ensuring that they create and maintain a working environment that nurtures success, develops your skills and also maintains a great work-life balance, keeping you fresh and able to work to the best of your ability. What to do next... simply get in touch with us! Cloud Decisions are proud to be part of Microsoft UK's Partner Talent Services and help you to connect with some of the best cloud career opportunities within the Microsoft Partner Network. Our Talent Specialists are also Microsoft certified in Microsoft Azure and Microsoft 365, allowing us to have conversations at depth with you about your technical/consulting experience. Whether this role is right for you or not we can also connect you with other opportunities to suit your background.
