Key skills required for this role

Drainage/Highway Engineer

Important

Drainage/Highway Engineer

Job description

Our client, a leading Highway consultancy, is currently seeking a talented Senior/Principal Drainage Engineer to join their expanding team. With a focus on delivering excellence and working on prestigious projects, this is an exciting opportunity to take your career to the next level.

About the role

In this role, you will be working alongside a diverse and highly experienced team on a range of high-profile projects. You will be responsible for the assessment and design of Highway and Highway Drainage engineering projects, ensuring compliance with relevant design standards and regulations.

Key Responsibilities

Conduct assessment and design of Highway and Highway Drainage engineering projects

Utilize software such as AutoCAD, Civils 3D, and MicroDrainage to produce accurate

designs

Ensure compliance with design standards and regulations, including DMRB and CDM

Collaborate with project teams to deliver successful outcomes

Contribute to the development of the company's overall skillset and competencies

Support work winning activities and act as a brand ambassador for the company

Provide technical support and expertise to internal teams and clients

Stay up-to-date with industry trends and developments

Job Requirements

HND or degree in Civil Engineering or equivalent work experience

Extensive experience with software such as AutoCAD, Civils 3D, MicroDrainage, KeySign, KeyLine, and Microsoft applications

Technical knowledge and experience in the assessment and design of Highway and Highway Drainage engineering projects

Familiarity with pavement materials and design of road improvement schemes

Experience with design standards and regulations including DMRB, TSRGD, LCDS, MfS2, and Traffic Signs Manual

Knowledge of CDM regulations and its application in scheme delivery

Strong communication and interpersonal skills

Desirable Skills

SuDs design experience

Principal designer experience

Highway design experience

Chartered or nearing chartered with a relevant professional body
