Job Description

About the job

Procurement – Senior Consultant

Lead innovative and transformative programs to deliver excellent results for clients

Infosys Portland is a part of the family of brands that make up Infosys.

Infosys was ranked #3 in Forbes “World’s best regarded companies” and is a global provider of technology, services and consulting, with US\$13 billion in annual revenue and 300,000 employees spread across the world.

Due to upcoming demand and aggressive global growth plans, we are looking for great individuals to join our UK procurement team and make a difference for our clients.

THE POSITION

As a Senior Consultant with Infosys Portland, you will drive and support the execution of procurement and supply chain strategies, and work with clients to direct implementation.

You will work across a range of clients, projects, and industries utilising your analytical and problem-solving skills in a procurement or supply chain context to meet our client’s needs.

LOCATION

Infosys Portland has offices that span APAC the US and the UK and we are currently seeking applications to join our London office.

WHY APPLY

Our organisation is growing rapidly and we are seeking innovative and motivated individuals to join us. To be part of the Infosys Portland team culture that is entrepreneurial and outcomes-focused, and take advantage of the multi-faceted opportunities that come with being part of an emerging office for a leading global organisation.

EXPERIENCE AND COMPETENCE NECESSARY

Review the checklist of a successful candidate:

Degree Qualifications in Engineering, Business, Economics, Commerce, Law or Science

Masters qualifications would be advantageous

At least 2-3 years procurement consulting experience within corporate or professional services

Experience within or assisting blue-chip organisations

Experience managing own projects and small project teams

Solid analytical skills and tech-savvy

Functional knowledge in the areas of sourcing, procurement transformation, SRM and supply chain

Excellent team skills with the ability to lead and/or take direction

Demonstrated people management skills, including coaching of both junior employees and client staff

Good facilitator and ability to develop a storyline for clients
