Senior Sourcing Manager - Expertise in Real Estate, Facilities Management and Technology
Location: London
Contract Type: 12 Month FTC
Lead strategic procurement sourcing projects in the global real estate, facilities management and technology sectors. Enjoy varied opportunities to continuously grow and develop your skills and knowledge from day one. Benefit from a team-based working environment that values inclusion and equality of opportunity. Are you a professional Senior Sourcing Manager with a strong understanding of procurement best practices in real estate, facilities management and technology? Our client, a highly regarded global law consultancy with an inclusive and team-based culture, is on the lookout for individuals like you to join their team in London.

Company Overview
Our client is at the forefront of international law, offering a range of career opportunities from their offices across the globe. Valuing inclusion, equality of opportunity, and a team-based way of working, they are committed to treating all employees fairly and equally. With their approachable and professional team, they consistently strive to share their expertise and knowledge.

Position Overview
This role requires a strategic thinker who can lead procurement sourcing projects in categories including real estate, facilities management, and technology. The successful candidate will work collaboratively with other team members, taking charge of key relationships and global areas of spend to ensure compliance with the organization's procurement policies.

Responsibilities
Lead strategic procurement sourcing projects in categories including real estate, facilities management, and technology. Manage key relationships and global areas of spend. Negotiate commercial and contract terms with suppliers. Ensure

compliance with the organisation's global procurement policies. Act as a procurement subject matter expert, collaborating with the procurement team and stakeholders. Requirements Strong understanding of procurement best practices, with a focus on real estate, facilities, and technology categories. Experience in identifying and delivering cost savings. Proven track record in leading complex global real estate procurement projects. Ability to negotiate supplier contracts and manage challenging stakeholders. Experience presenting to senior leadership teams. For more information about this exciting role and if you meet the criteria, please submit your details without delay to info@languleysearch.com quoting MB/723754. Langley Search & Selection (languleysearch.com) is the leading specialist recruiter in the procurement, supply chain and purchasing field. We manage permanent and interim procurement and supply chain jobs across the UK, Europe and globally for our clients, from large global multinationals to SMEs
