

Senior Product Design Engineer

[Apply Now](#)

Company: Professional Technical Ltd

Location: Stratford-upon-Avon

Category: architecture-and-engineering

A globally and established consumer electronics and engineering brand are seeking a Senior Design Engineer to join their successful and expanding NPD team. Based near Worcester, you will benefit from a starting salary of up to £55k, flexible working, annual bonus with regular pay reviews and opportunities to travel overseas. This is an exciting opportunity to develop new consumer electronic products for an iconic and global household brand.

As a Senior Design Engineer you will be responsible for:

- Robust 3D CAD modelling (such as ProE, wildfire, CREO, solidworks, solid-works)
- Leading and development of whole products as well as mechanisms and sub-assemblies
- Performing tolerance analysis to ensure high quality robust design of complex mechanical systems and components using tools such as FMEA, CFD and computer simulation
- End-to-end project management of multiple projects from concept through to manufacture
- working with other Design Engineers to ensure projects run on time and to budget
- Rapid prototyping, functional lab testing and analysis of test data
- Work with external manufacturing partners and other suppliers

To be considered for this Senior Design Engineer role, you will require:

Proven experience as a Design Engineer, Product Designer, Development Engineer or

Mechanical Engineer

Qualified to a degree level with either PhD, MSc, MA, Meng, BA, BEng or BSc Product Design, Mechanical Engineering, Product or Innovation Engineering

Experience in medical devices, consumer electronics or household/kitchen appliances

Proven experience in developing plastic injection moulded components and enclosures for mass manufacture

3D CAD (such as ProE, wildfire, CREO, solidworks, solid-works)

In return you will receive an excellent benefits package which includes:

Up to £55k basic salary

10% annual bonus

Hybrid working available

25 days holidays + Bank Holidays

Competitive pension

Continued formal training and development

International travel to meet suppliers

Discounts on products
