Senior Product Security Engineer

Location: Barrow-in-Furness, hybrid working

We are currently supporting a business in Barrow, on their quest to find an Engineer with some Product Security and/or Product Safety experience, to join their growing business unit on a Permanent basis.

If the idea of having exposure to working on a number of variety of exciting projects appeals to you, this opportunity could be for you.

What you'll be doing:

Undertaking tasks within programme cost and timescales which includes hazard analysis, using recognised tools and techniques, such as PHI, PHA, FMECA, HAZOP, FTA, etc

Preparation of Product Integrity documentation such as but not limited to Product Integrity Management Plans, Product Integrity Case Reports and Hazard Logs

Provision of technical expertise and general Product Integrity advise to project/design teams on all life cycles of a project

Your skills and experiences:

Hold a degree in Engineering or equivalent proven experience

A good understanding environmental principles

A good understanding of Product Security or Product Safety principles

Please note, candidates must be eligible for SC Clearance
