

Senior Quality Assurance Analyst

[Apply Now](#)

Company: ECOM

Location: Manchester Area

Category: other-general

Great opportunity for a Senior QA Analyst to join a digital business. With their platform they are working with all their clients to digitalise their people management. Their technology is easy to use, supplying clear advice, offering practical and problem free solutions. Their platform analyses problems and provides legal solutions, with a library of document templates allowing companies to craft their perfect policies. Their tech department consists of product teams responsible for developing a suite of cloud based, web and mobile apps. All their teams are autonomous and works in a truly agile way, delivering small increments of value to their customers very frequently. Requirements: Must have good automation experience using either Cypress or Playwright. Strong understanding of QA processes and technical aspects. Exhibit cross functional behaviour and support other competencies within the company. Use available data to analyse and identify underlying issue. Make judgment calls about whether a software issue is tolerable in production. What do you need to know? Salary up to £50K Flexible working Policy - Hybrid (Must be Manchester based or within commutable distance) Profit Share bonus scheme 25 days' holiday + your birthday off + plus all bank holidays. If you're interested in this opportunity and would like to know more, please either contact me directly, or apply through this advert and I will contact you ASAP.
