Company: Apple Technical Recruitment (UK) Limited

Location: Bedford

Category: construction-and-extraction

Vacancy Summary

Job Title: Senior Quantity Surveyor

Job Type: Permanent

Job Ref: #926

Location: Bedford

Salary: c£65k-£70k + basic plus market leading benefits package inc bonus

Company & Project:

Apple Technical Recruitment are working in close partnership with a long standing key client who are an established Quantity Surveying consultancy operating with an excellent reputation in the regional and national market.

The successful business works across multiple sectors including Higher Education, Industrial, Science/Pharma, Commercial and Residential on projects from c£5m-£100m.

The Bedfordshire team is currently expanding due to new project wins and a busy pipeline of secured work for 2024. The office are currently looking to add an experienced and talented Senior Quantity Surveyor to their successful and established team.

Our client has an excellent opportunity for a Senior Quantity Surveyor that is looking to progress their career in a forward thinking and stable business with a clear pathway to Associate level, including multiple performance/bonus reviews per year, ensuring that their employees development and recognition is a high priority.

The business prides itself on its employees and has numerous examples of surveyors who have joined the company and enjoyed progressing through the ranks within their structure with no glass ceilings.

Duties & Responsibilities:

The successful candidate will take responsibility for leading projects between c£5m-c£20m+ within a developed sector from feasibility through to project handover.

You will undertake full quantity surveying/cost management/employer's agent duties, including pre-contract tenders, cost planning, and contract administration across JCT and NEC contracts including Design and Build.

You will be expected to manage projects autonomously and work closely with the client. Therefore, excellent communication skills are essential.

Desirable Experience:

Previously held a Senior Quantity Surveyor role on projects £10m+.

Good client facing skills and able to lead and manage meetings.

MRICS Chartership desirable or another relevant professional membership.

Previous Roles: Project Quantity Surveyor OR Senior Quantity Surveyor OR MRICS Surveyor OR Associate OR QS OR Cost Consultant OR Cost Manager.

Qualifications: BSc or MSc in Quantity Surveying or Construction Management or Building Surveying.

Application Process: If you would like more information on this Senior Quantity Surveyor position please contact Jess Quinn.

Applications will be reviewed and you will be contacted within 48 hours if your CV is of interest.

Services advertised by Apple Technical Recruitment are that of an Employment Agency/Business
