

Senior Quantity Surveyor – Hospital projects

[Apply Now](#)

Company: TED Recruitment

Location: United Kingdom

Category: business-and-financial-operations

THE ROLE

I am seeking a Senior Quantity Surveyor who is experienced in all aspects of pre and post contract work and able to supervise other QSs within the team, reporting to the Cost Director.

You will work have the opportunity to work on a range of healthcare projects for hospital trusts for refurbishment, fit out, moves and new build.

Projects currently are from £250K to c. £40m.

This role will be based in Hertfordshire.

THE COMPANY

My client is a busy firm of construction consultants providing Quantity Surveying / Cost Management and Project Management services for projects mainly in London and Hertfordshire.

My client gains a lot of repeat business as they are on the PSL for a number of hospital trusts.

THE CANDIDATE

You will be a Senior Quantity Surveyor / Cost Manager in the building construction industry.

You will need to be working for another U.K. firm of construction consultants (PQS) or multi disciplinary consultants or for a healthcare trust as a QS working on projects in the construction industry.

You should be able to supervise less experienced Quantity Surveyors as this role will be

between the Qs and the Cost Director.

You must have worked as a PQS or for a healthcare trust on projects from feasibility through project delivery and handover and have done all pre and post contract work.

You must have excellent English to write formal reports and documents and have a stable work record.

Salary is negotiable around £70000 to £85000 per annum according to your level of experience plus pension and BUPA.
