Senior Quantity Surveyor

Manchester / Hybrid

Company client is looking for a Senior Quantity Surveyor for a leading UK construction and regeneration group, with your primary base in Manchester but onsite in County Durham (3-4 days per week hybrid working).

As a Procurement & Contract Manager, you'll oversee procurement strategy, contract administration, and supply chain development for a key client project. Your role includes managing tendering, evaluation, negotiation, and contract reviews, with a focus on regulated process sectors.

Key objectives involve administering procurement processes, advising on contract administration, and providing cost and commercial reporting. NEC4 contracts experience is essential, along with extensive procurement/contracts management experience in construction or related industries.

Qualifications:

Member of the Royal Institute of Chartered Surveyors with relevant procurement experience

(preferable)

Relevant degree

Essential Requirements:

* Proficiency in NEC4 contracts

* Demonstrated diligence, commitment, and ability to work independently without supervision

* Highly preferable: Experience in EPCM (candidates with this background will be prioritised)

Benefits include a company car or cash allowance, contributory pension plan, life assurance, flexible/hybrid working, and professional development opportunities.
