Location: Northampton

Category: other-general

Description Senior Quantity Surveyor Civil Engineering Northampton £65,000 - £75,000 + (DOE) The Company: An exciting opportunity for a Senior Quantity Surveyor, to join a company who value their employees and are on an undergoing organic growth. My client works on some very interesting and exciting civils infrastructure schemes. They are a Main Contractor and at points a Subcontractor who are very well established in the industry and have a very strong pipeline of work and a very solid reputation. About The Role: As a Senior Quantity Surveyor, you will play an integral role in the management, direction, and successful completion of the Civil Engineering projects. Your focus is to build and lead a high performing commercial team that manages build cost and maximises margin whilst enhancing value for money for our clients and achieving the required standards and quality. About You:

- Previous experience as a Senior Quantity Surveying
- Experience in Civils, Highways, Earthworks, Tunnelling, or other Civils Infrastructure projects.
- Experience looking after multiple live schemes at one time.
- Experience working for a Subcontractor, Main Contractor or Regional contractor.
- Able to commute or live in the Northampton area.
- UK Driver's license
- Full right to work in UK.

What's on Offer: • £65,000 - £75,000 + (DOE) • Company Car • Pension • 25 days holiday (+ bank holidays) If you are interested in this opportunity as a Senior Quantity Surveyor, please apply with your CV using the link below or send me an email with your interest to
