

Senior Quantity Surveyor

[Apply Now](#)

Company: Abatec Recruitment

Location: Plymouth

Category: construction-and-extraction

Abatec are currently recruiting for a Senior Quantity Surveyor, to join our client, a well-known, tier one, civil engineering contractor to take commercial control of a £24million highway scheme in Plymouth. Our client work with Plymouth City Council on a single-source framework (SCAPE) and has visibility of work for the next 9 years ensuring security of work long after this project.

This project is in pre-construction at the moment and will begin this summer. Phase 1 will involve building a new intersection, costing £8 million, and phase 2, will widen a single-lane highway to a dual-lane carriageway and junction, costing £16 million.

As Senior Quantity Surveyor your responsibilities will be:

- * Commercial Management of projects from post-tender to final accounts, including cost budgeting, cash flow management, and presenting CVRs and Scheme Forecasts within business and contractual timeframes.
- * Change Management including the drafting of contractual correspondence, administration and the subsequent valuation, agreement, and Implementation of Compensation Events.
- * Managing subcontracts from procurement to completion, including scope collation, drafting enquiries, production, agreement, remeasurement, payments, and final accounts to achieve

Main Contract objectives.

* Generally, to provide valued commercial support, input and analysis on project and construction issues, contributing to the overall project strategy and decision-making process.

Our client requires a Senior Quantity Surveyor with:

* BSc or MSc in Quantity Surveying or experience equivalent.

* An accomplished working knowledge of the NEC4 suite of contracts.

* Experience of managing and mentoring a small team of less experienced commercial staff.

The following qualities/experience are desirable:

* Communication

* Teamwork / Role Model

* Leadership

* Achievement Focus (Achieving Results)

* Business and Customer Awareness

* Applies organisational aims & objectives

* Identifies with the customer needs

* Recognises opportunities & threats

Salary/Benefits:

* Up to £70,000 per annum

* Up to £4,200 car allowance or company car

* Offers hybrid working 2 days a week

* 25days holiday + bank holidays

* Employer pension scheme up to 8%
