Company: TED Recruitment

Location: United Kingdom

Category: business-and-financial-operations

THE ROLE

I am seeking a Senior Quantity Surveyor, MRICS qualified for a firm of PQS to join them in Kent.

This is a good opportunity for a Chartered Quantity Surveyor to join a long established firm offering prospects to move to Associate level for the right candidate. You will work on a good range of projects to include offices, schools, colleges, private and public sector healthcare and residential projects for new build, fit out and refurbishment.

You will use both JCT and NEC forms of contract.

You will do the full range of pre and post contract work.

This will be a client facing role delivering all stages of pre and post contract cost management (quantity surveying) services.

THE COMPANY

My client is a successful smallish growing firm of construction consultants providing Quantity Surveying / Cost Management and Project Management working on high value projects.

THE CANDIDATE

You will be a Chartered Quantity Surveyor / Cost Manager with a couple of years or more PQE.

You will need to be working for another firm of construction consultants (PQS) or multi disciplinary consultants in the construction industry.

You will need to have gained experience of working on UK projects.

You will have a BSc in Quantity Surveying or similar subject along with being MRICS qualified.

You must have worked as a QS on projects from feasibility through project delivery and handover.

You will need strong contract administration knowledge in particular in the use of JCT and NEC contracts along with good cost reporting skills.

You will be conversant with all pre and post contract duties.

You must have excellent English to write formal reports and documents and have a stable work record.

Good client facing skills are essential.

Salary is negotiable around £60000 to £80000 per annum according to your level of experience plus pension and bonus and good prospects to move to Associate level.
