

## Senior Research Executive - Healthcare

[Apply Now](#)

Company: Carrot Recruitment

Location: United Kingdom

Category: life-physical-and-social-science

### The Role

You will help design the qualitative and quantitative surveys on a project-by-project basis, overseeing these projects to support the clients' needs. In addition to this, the role will include the collection and analysis of data, and the reporting of your findings to several of the leading global medical device manufacturers.

### You

We are looking for candidates who have:

1 – 2 years' experience as a Research Executive or Senior Research Executive, within healthcare market research, preferably within Medtech/ Medical Devices.

A proven track record of end-to-end project management and delivery.

Experience of analysing, interpreting, and presenting data accurately, in a range of formats.

Excellent accuracy and attention to detail
