Senior Research Executive – Quantitative Research – For those looking for something a little different £32,000 – 37,000 + bensNorth London (hybrid) We seek a Senior Research Executive who is looking for something a little different. This role will suit someone who has a strong quant background but finds themselves feeling that something is not quite right in the makeup of their role. It maybe that you that you feel it is not fast paced enough. Perhaps you feel you are spending too much time pouring over reams of data. Are projects dragging on and you wish you could move on to the next? Our clients business is varied and fast paced. Clients come to them from all sorts of sectors to get quick answers to burning issues. They may require help in designing the project but have the expertise in house to do the analysis. It could be that they need the answer to a few questions as soon as possible. They may require full service and a report quick smart. All and anything is possible in this team. This is a real opportunity to make an impact in a fast growing team. You will play a leading role with clients, on projects and with the team. The directors really try and hone it to the skills you have and what you enjoy most to get the best from you and for them. A truly exciting and unique opportunity for those looking for something a little different.
