Company: Carrot Recruitment

Location: United Kingdom

Category: life-physical-and-social-science

Senior Research Executive / Research Manager - International Pharmaceutical Healthcare and Consumer Market Research Agency - Central London - £28k - £40K DOE

Our client is quickly growing in terms of both size and reputation. They provide first class ad-hoc market research solutions to help businesses understand customers and to develop products and services that customers truly want. In order to support their growth, they are now looking for a Senior Research Executive **OR** Research Manager to support their team.

The Company:

Amazing office environment!

Offices based in both London and New York!

Although you will be working within the healthcare team this is a fantastic opportunity to work across consumer projects too

A great mix of people with a fantastic social scene.

Flat reporting structure

As a Senior Research Executive / Research Manager you will be responsible for:

Effective management and implementation of market research studies

Managing the full research process - proposal writing, project management, questionnaire design, analysis, report writing and debriefs.

Qualitative / Quantitative data management and analysis

Our client is looking for:

Preferably someone with 2 - 4 years experience within a market research agency.

Someone who has an interest working within healthcare / Pharma market research

Quantitative experience is desirable

Strong verbal and written communication

Self motivated and keen to progress
