

## Senior Salesforce Engineer

[Apply Now](#)

Company: Group Support Services

Location: United Kingdom

Category: computer-and-mathematical

At Places for People, we hire People, not numbers! So, if you like the sound of one of our jobs, please apply - you could be just who we're looking for! Of course, experience and track record are important, but we're more interested in hiring someone that embodies our People Promises. That's someone that does the right thing, is enthusiastic and motivated to grow, believes in Community spirit, is respectful and enjoys their work. As the UK's leading Social Enterprise, we don't discriminate based on any protected attribute. In fact, we're dedicated to creating inclusive and thriving Communities for both our Customers and Employees.

**So, what are you waiting for? Join a Community that cares about you!**

### **More about your role**

The purpose of the Senior Salesforce Engineer is to lead on the development of technology changes and solutions that deliver digitisation and digital transformation.

### **More about you**

The Senior Salesforce Engineer will work as part of a team of engineers, designers and architects, delivering to a defined product roadmap, providing technology solutions that meet clear success criteria and outcomes.

We are a large diverse and ambitious business, which will give you all the challenge you could wish for.

We know that there's always more we can do to make you smile, that's why we offer a comprehensive benefits package with each role, yours will include:

Competitive salary, with a salary review yearly

Pension with matched contributions up to 7%

Excellent holiday package – 35 days annual leave with the option to buy or sell leave

Cashback plan for healthcare costs – up to £500 saving per year

A bonus scheme for all colleagues at 2%

Training and development

Extra perks including huge discounts and offers from shops, cinemas and much more.
