Company: Digital Gurus

Location: United Kingdom

Category: other-general

Senior Service Designer | Public Sector Consultancy | £70,000-£80,000 + bonus |

Remote in the UK Digital Gurus are partnered with a people focused, public sector consultancy who due to exceptional work and a rapidly growing client base, are continuing to grow the UCD team! We're looking to speak with experienced Senior Service Designers to join their motivated team. Your work will be focused within the public sector, working on transformation projects, all with a focus for the greater good. You'll also have the unique opportunity to work on the largest environmental / green tech / sustainability projects within the public sector! What you can expect - Supporting digital transformation programmes predominantly within the public sector, but also an opportunity to grow your skills within the private sector! Setting the service design direction across the full software delivery lifecycle. Coordinating, planning and leading service design activities across a fantastic range of clients and large-scale programmes. Champion the role of service design in creation of better products, services, and solutions! Experience that will support you in this role - Previous central-government/ public sector service design experience - know how to apply GDS Service Standard. Experience in creating service maps, customer journeys, blueprints etc. Planning service design for gov programmes and delivering the best methods. Strong communication skills and are comfortable working with engineering, product & business leaders. Benefits such as a bonus, private healthcare including dental and eye care, L&D budget, gym, employees assistance programme and much more. This is a remote role, although in your consultative position you may be required to travel to customer's offices here and there. This is fully expensable. If you're looking for a Senior Service Designer position

where you can be a part of a growing UCD team, shape the culture & influence the standards for what good looks like in a reputable consultancy focused on public sector work - then this is for you! Opportunities like this don't come around often! If you are up for the challenge or want to chat about the role in more detail, please reach out to Emma Johnson at Digital Gurus. Senior Service Designer | Public Sector Consultancy | £70,000-£80,000 + bonus | Remote in the UK
