Senior Sprinkler Service Engineer

High Wycombe

£35,000 - £45,000 + company car

Our client is a leading provider of fire protection solutions committed to safeguarding lives and property. With a reputation for excellence and innovation, we specialize in designing, installing, and maintaining cutting-edge fire sprinkler systems for a diverse range of clients.

Our client is seeking a skilled and experienced Senior Sprinkler Service Engineer to oversee the maintenance, repair, and inspection of fire sprinkler systems. As a vital member of our team, you will play a key role in ensuring the reliability and functionality of our clients' fire protection systems.

Responsibilities:

- * Conduct routine inspections, testing, and maintenance of fire sprinkler systems in accordance with NFPA standards and local regulations.

- * Diagnose and troubleshoot issues with sprinkler systems, including valves, piping, pumps, and

control systems.

- * Perform repairs and replacements of damaged or malfunctioning components to ensure system integrity and reliability.
- * Coordinate with clients to schedule service visits and communicate effectively regarding service requirements and recommendations.
- * Provide technical guidance and support to junior engineers and technicians as needed.
- * Maintain accurate records of service activities, including inspection reports, work orders, and equipment inventory.

Qualifications:

- * Minimum of 3 years of experience in fire protection engineering, with a focus on sprinkler system maintenance and service.
- * Proficiency in interpreting technical drawings, schematics, and specifications related to fire sprinkler systems.
- * Strong knowledge of NFPA codes and standards, including NFPA 13, NFPA 25, and NFPA 72.
- * Experience working with various types of sprinkler systems, including wet pipe, dry pipe, pre-action, and deluge systems.
- * Excellent troubleshooting skills and the ability to effectively diagnose and resolve complex technical issues.
- * Strong communication and interpersonal skills, with the ability to interact professionally with clients and team members.

* Valid driver's license and clean driving record required.

Benefits:

* Competitive salary commensurate with experience.

* Comprehensive benefits package, including medical, dental, and vision coverage.

* Retirement savings plan with employer match.

* Opportunities for professional development and advancement.

* Collaborative and supportive work environment.

If you are a dedicated professional with a passion for fire protection and a commitment to excellence, we encourage you to submit your CV or email Danny on [Danny.Bentley @ huntermasonconsulting . com](mailto:Danny.Bentley@huntermasonconsulting.com)
