And a clear NMC pin.

This post will see you joining a medium-sized care facility, purpose-built to provide their residents with dementia care.

You'll help to lead the nursing team, direct staff as needed, and keep a positive atmosphere for both residents and the team.

As well as this, the role can include:

Supervising junior staff,

Organising team meetings,

Being the Lead Nurse on shift,

Undertaking documentation reviews,

And monitoring stock levels.

Ideally, this role will be best suited to someone who is confident leading a team, working independently, and able to give direction when needed.
