

Senior Structural Engineer

[Apply Now](#)

Company: Bennett & Game Recruitment

Location: Henley-on-Thames

Category: architecture-and-engineering

Senior Structural Engineer - Required to join our client who are a nationwide Civil and Structural Engineering Consultancy in their Henley or Gloucester office. The Senior Structural Engineer would be working on a variety of multi-storey RC Frame projects on Residential and Commercial Development projects. This is a new role that has arisen as a result of new business with clients within the house developer, and Hospitality sector

The Senior Structural Engineer will have development potential as the company grows across all offices so there is a clear line to Principal and Associate positions. The ideal Structural Engineer will have 5+ years' experience within a UK Consultancy and be working towards chartership with excellent knowledge of British Standards and Eurocodes as well as steel, concrete, timber and load bearing masonry structures. This opportunity will support a candidate to Chartership with the ICE or IStructE
