Senior Building Structures Engineer

Leeds City Centre

Permanent

£48,000 - £56,000 + Package and Benefits

A multi-disciplinary consulting engineering firm based in the centre of Leeds are seeking to employ a senior structural engineer on a permanent basis.

They are a market leader within their sectors and have a reputation for outstanding cross disciplinary delivery throughout the UK. They work in the public sector, education, residential and retail arenas often involving complex engineering solutions.

They require a senior engineer who is comfortable speaking with clients and other disciplines and happy to lead and guide the design process. You will be experienced in the design of all traditional materials and have experience of working on projects up to £30million.

To be considered you must be in a commuting distance of Leeds with a demonstrably strong background in structural engineering at an intermediate or senior level.

Apply now for an immediate call back.
