## SENIOR STRUCTURAL ENGINEER

£50,000 - £55,000 per annum + plus benefits (Permanent)

LONDON

A Civil/Structural engineering firm based in London, is looking for an experienced Senior Structural Engineer to join them.

The Structural Engineer will work within a well an established and growing team. The role operates within a mixed marketplace including Education, Commercial, Civil Infrastructure, Residential and large refurbishment projects, which ensures a very diverse day to day workload. You will have the ability to see a project from inception, right through to completion whilst providing guidance and advice to a team of engineers.

The Structural Engineer will work within and lead an experienced team. You will be able to see a project from inception to completion operating on a truly 'hands on' basis, whilst receiving guidance from senior structural engineers and a close-knit team.

What is on offer for you as a Structural Engineer:

Genuine career progression

Collaborating with the multi-disciplined design team to steer the evolving designs.

Responding to site queries and visiting site.

Mentor and support junior staff

Undertaking Technical Design reviews. What you will offer as the new Senior Structural Engineer:

Degree in Civil or Structural Engineering or equivalent

5 to 8+ Years' experience as a Structural Engineer

Chartered Engineer within ICE or IStructE.

Strong experience in working on all types of building structures.

Be a positive team member.

Excellent communication skills

Knowledge of the design process For more information on this fantastic opportunity then speak to Andrew Sparks at Conrad Consulting or call on (phone number removed)
