Service Colleague

Our operation runs 24 hours per day, 7 days per week and with that brings a wide variety of shift patterns. If you're looking for flexible working to fit around your lifestyle, then look no further! We'll work with you on your shifts, but late and weekend working is a requirement of our roles, and we may need to be flexible with your work pattern.

As a service colleague, you will work across a variety of departments to ensure the efficient running of our stores. Working across multiple departments means that every day you could be serving our customers at the checkouts, perfecting pizzas, picking for home deliveries, or replenishing products on the shelves. Our customers are our priority and we take pride in providing excellent service, welcoming stores and 'extra special' products. We work as a team to maximise sales and deliver a great online shopping experience.

About You

You'll be naturally friendly and want to get stuck in, working with your team to deliver great results. You'll have an enthusiastic approach to learning new skills across different departments. You care about giving customers a great shopping experience, helping them find what they need and having a chat along the way.

Asda, that's more like it
