

## Service Engineer

[Apply Now](#)

Company: Sellars

Location: Forfar

Category: other-general

### **SERVICE ENGINEER**

We are currently recruiting for our Letham Depot near Forfar. You will play an important part in the servicing, maintenance and repairing of mainly Claas and Lemken equipment to the highest possible standard.

You should be motivated, meticulous, and have high quality standards of workmanship. A knowledge of combines, tractors and other types of machinery is required.

An excellent package available including competitive salary, company vehicle and pension.

Excellent manufacturing training also available.

Please apply to:

David McAuley, Sellars Agriculture, Letham

07713067327 01307 818545

david.mcauley@sellar.co.uk

All enquiries will be treated in the strictest confidence

**You can also apply for this role by clicking the Apply Button.**
