

Service Engineer

[Apply Now](#)

Company: Kemp Recruitment

Location: Hull

Category: architecture-and-engineering

Title: Service Engineer

Location: Hull

Salary: Up to £55,000

Van and fuel card provided

Overtime available and paid at an increased rate

Shift: Mon - Fri - Day Shift

My client, is looking for **Service Engineer** working a day shift covering the **Hull** area.

The **Service Engineer** will be experienced with agricultural machinery, will have served an engineering apprenticeship and, ideally, have recent experience of the agricultural industry or similar industries (Plant/HGV) - although full training will be given to applicants who can demonstrate the necessary skills and experience.

The main duties of the Service Engineer will comprise, but not be limited to:

Inspection of new and used agricultural equipment.

Carrying out routine service on agricultural equipment.

Diagnostics and Repair of agricultural equipment.

The successful Service Engineer will have:

Preferably a recognised apprenticeship in land based engineering / Plant NVQ level 2 / 3 or equivalent.

Relevant recent experience in a similar role within the agricultural industry.

Would consider candidates from different backgrounds (Plant/HGV).

The client will offer the Service Engineer:

Overtime paid at an increased rate.

Genuine career progression.

Full manufacturer training.

Company van and fuel card.

If this role is of interest please apply through this advert or call Kemp recruitment on 0330 440 2323.
