Shift Leader (Injection Moulding)

Competitive Salary + Bonus + Progression + Benefits

Banbury, Oxfordshire

Are you someone with leadership experience from an Injection Moulding background looking for a rewarding role where you will be responsible for your teams success in a globally recognised company offering progression and development opportunities?

In this role you will be a crucial member of this high-tech automotive production facility, responsible for a team of 30 skilled operatives. This role heavily relies on your people management skills and technical proficiency to improve team productivity. You will be responsible for performance, team KPI's, upholding quality and Health & Safety standards.

Our offer is an exclusive opportunity to join a globally recognised company that specialise in designing and manufacturing vehicle parts for a variety of blue-chip companies, specifically Nissan. Moving from strength to strength, they are looking for a new Shift Leader to step up and ensure the moulding line runs smoothly.

This role would suit a Shift or Team Leader from an Injection Moulding background looking to be responsible for a large team and develop their career.

The Role:

Responsible for a team of 30 operatives

Upholding Quality, Health & Safety standards

Ensuring KPI's are met

Reporting to Moulding Team Manager

The Person:

Injection Moulding background

Shift Leader, Team Leader or similar
Job Reference: BBBH 13220

Moulding, Production, Manager, Automotive, Manufacturing, Injection, Engineering,
Mechanical, IOSH, Quality, Health, Safety, Leader, Supervisor, Banbury, Brackley Oxford
