

Site Engineer

[Apply Now](#)

Company: BAM Nuttall

Location: United Kingdom

Category: architecture-and-engineering

Building a sustainable tomorrow

BAM Nuttall are looking to recruit an experienced and motivated Site Engineer who can strengthen our existing team, delivering large civil engineering projects across Scotland. The projects are predominantly within the energy infrastructure sector, building new substations to support Scotland's transition to net Zero. We have positions available within our RIOT2 Framework in locations across Scotland including Orkney, Dounreay, Argyll and other areas in the west coast of Scotland.

Your work environment

BAM operates a flexible working policy

Your mission

As a Site Engineer, you will be responsible for the following:

Maintain high personal safety and environmental standards

Supervision of assistant engineers

Ensure that the drawings and specification documents contain sufficient, accurate

information for construction of the works

Provide accurate and clear setting out for works

Communicate with foremen and gangers to ensure a full understanding of the information provided

Arrange formal checking of setting out

Complete inspection and test plans

Keep an accurate daily site diary

Preparation of 4 weekly programmes

Provide accurate measurements for materials required

Maintain material reconciliation figures for reporting

Ensure that material delivery tickets are passed on for cost coding

Carry out testing/sampling of materials

Assist the measurement department

Maintain survey books

Take receipt of materials and perform checks

Who are we looking for?

The following are mandatory requirements:

Degree, HND in Civil Engineering or equivalent NVQ Level

CSCS Level - Academically or Professionally Qualified

Person/Supervisory/Manager

SSSTS

The following are desirable requirements:

Successful experience at Assistant engineer level

Working towards achieving ICE Technician or Incorporated (preferred) level or equivalent

What's in it for you?

Competitive salary

A wide range of family-friendly policies

Company car/car allowance/travel allowance

8 % matched pension contributions

Private healthcare

Life assurance

26 days holiday

2 wellbeing days

1 volunteering day

Personal and professional development

BAM Nuttall is also committed to equality of opportunity in all its employment practices, and to developing policies that support work-life balance.

Who are we?

The art of building is about building for communities; it's about building for life.

Where others stop, we go further, leading the way towards a sustainable tomorrow for us and future generations. As an industry leader, we raise the bar.

Our values: sustainable, inclusive, collaborative, reliable and ownership, enable us to achieve our ambitions. Today, tomorrow and every day.
