Company: Bigblue Search Ltd

Location: London

Category: construction-and-extraction

Our client is a leading main contractor specialising in the D&B fit-out and refurbishment of office/commercial buildings and commercial offices. Based in London, they specialise in the fit-out and refurbishment of commercial office spaces in and around London. Project values range in size from £500K up to £10m in value.

Due to an increase in workload they are currently looking for driven experienced Site Managers with fitout experience. This is a fantastic opportunity to work for a company with an excellent reputation in the industry. This role would suit somebody with the desire to achieve results by hard work and be part of an organisation with a structured growth plan. The working environment is very friendly with low staff turnover.
