Company: Balfour Beatty

Location: United Kingdom

Category: other-general

### About the role

Balfour Beatty has an exciting opportunity for a **Site Manager** to join our team on a complex Defence project in the South East of England

Shape daily life for millions in this construction management role and lead a team on inspiring infrastructure projects. As a **Site Manager** with an industry leader, you'll join a community of bold thinkers who share skills and ideas to shape society for the better. We're growing. We create new opportunities every day. And we respect everyone's unique talents.

### What you'll be doing

Managing vital construction projects for a stable business in a booming industry, you'll:

Be essential to the success, safety and quality of construction projects

Control, manage and deliver smaller scale site-based project work or support a Senior Project Manager to manage sections of larger projects

Manage, motivate and coach a multi-disciplinary team including the integration and monitoring of trade contractors

Make sure that customer specifications and project objectives are met considering everything from safety and risk to quality and time

Keep a close eye on budgets, cost control and cost recovery

Draw up realistic short-term programmes and track progress

Collaborate with other experts across teams that include project management, commercial, operations, health and safety and external suppliers.

### **Who we're looking for**

An SMSTS-qualified **Site Manager** with a CSCS Card, you'll:

Build on your track record of managing site logistics and operational delivery within a construction or related environment

Communicate safe systems of work and implement improvements

Work flexibly on complex projects and to strict deadlines

Use your working knowledge of health and safety legislation to apply H&S systems, coach people to produce H&S documents, and guide others in incident investigation

Tackle problems head on and go the extra mile to take us to the next level.

### **Why work for us**

Day in, day out, our teams deliver some of the UK's most ambitious, exciting and meaningful projects; developing, building and maintaining the vital infrastructure that supports national economies and strengthens communities.

### **Why join us?**

As if contributing to and supporting work that makes life better for millions wasn't rewarding enough, we offer a full range of benefits too. You'll have the freedom to shape the package that's right for you and your life. Here are some of our key benefits:

- Smart working, giving you more flexibility such as staggered start and finish times, with up to 40% remote working, where roles allow.
- 25 days paid annual leave (pro rata)
- Family friendly policies which include 28 weeks full pay for maternity/adoption leave and four weeks full pay for paternity/partners leave
- Pension, share incentive plan, volunteering leave, recognition schemes and much more
