Company: Navartis

Location: United Kingdom

Category: other-general

## Job Description

### Site Manager

**Location**Manchester

**Salary**£55,000 - £60,000

**Company Type**Main Contractor

### Opportunity

My client is looking to bring in a few Site Managers/ Senior Site Managers, due to growth and increased pipeline. The company deals with a variety of different projects across industrial, retail and commercial. They are looking to bring in Site Managers as the number 1 on site valued 3-6m, with the support of a visiting Contracts Manager.

My client is also looking to bring in additional Site Managers/ Senior Site Managers, who are based in Leeds and another in Sheffield.

### Why Apply?

Very low turnover of staff.

Variety of different projects.

Close nit team, who are there to support each other.

Will have the responsibility of running your own site.

Strong pipeline of projects.

### Key requirements for the ideal Site Manager

10+ years experience working as a Site Manager.

Experience working on both industrial and retail projects.

Willingness to travel, when required.

Great attitude and willing to get stuck in.

SMSTS card.

CSCS card.

First aider.
