

## Site Supervisor - Civils

[Apply Now](#)

Company: Deploy UK Rail

Location: London

Category: construction-and-extraction

Busy utility contractor with a full orderbook of work requires Site Managers / Site Civils Supervisors with experience overseeing the civils portion of underground HV network installation / gas / water / utilities projects for schemes across London.

Duties:

- \* Overseeing gangs digging in the road to put in HV cables and gas / water pipes for new connections and utility diversions
- \* Ensuring compliance with health and safety legislation
- \* Ensuring all work is carried out according to project schedule
- \* Making sure the teams have the materials required to carry out their jobs
- \* Giving toolbox talks
- \* Writing reports and RAMS

Person:

\* Experience overseeing civils works in the multi-utility / utilities sector, ideally with a Distribution Network Operator (DNO) or Independent Connections Provider (ICP)

\* SMSTS / SSSTS

\* NRSWA Supervisor ticket

This is an ideal role for an experienced Site Supervisor in Civils / Utilities. To find out more, apply to Andrew Snelgrove at Deploy
