

Slinger Signaller - HS2

[Apply Now](#)

Company: McGinley Support Services

Location: Sutton Coldfield

Category: other-general

Are you a CPCS Slinger and interested in working on the largest critical infrastructure project in Europe?

Our client has been appointed by HS2 to deliver civil engineering works across a 225km section of the new high speed rail link between Euston and Birmingham, and we are proud to supply CPCS Slings, among many other skilled trades and labour across multiple sites and projects.

Presently, the scope of works include viaducts, shafts, tunnelling, road diversions, overbridges and over 100 million cubic metres of excavation, over the course of the next 4+ years. We have a lot of work ahead of us... are you the CPCS Slinger we are looking for?

(Please note - this role is not dealt with by local offices. Please click apply or email your CV to jill.davison@mcginley.co.uk)

Successful applicants will need:

- * CPCS Blue A40 - Slinger Signaller
- * Local to site (no digs provided)
- * Driving licence and own vehicle (due to the location of the role - no public transport)

* Pay rate: £18.47 an hour

* Hours: Monday to Friday, day shifts

* Contract type: PAYE

* Location: Warwickshire

If you are an experienced CPCS Slinger, we look forward to receiving your application.

As an equal opportunities employer McGinley Support Services (Infrastructure) Ltd is committed to the equal treatment of all current and prospective applicants. We actively seek applications from all sectors of the community and particularly encourage applications from women, those with a disability (that is permissible to a safety-critical environment) and ethnically diverse or ethnic minority candidates, as these groups are underrepresented throughout the construction industry.
