Fire Alarm Small Works Manager/ Fire Project Manager- Hampshire - c. £50k + 33 days!

Lots of existing customers requirements for Fire Alarm systems upgrades, Suppression Systems Installations and new Fire alarm installs, so a Small works Manager or Project Manager who is happy with office in Hampshire who can receive and schedule Fire Systems installation works is a new role here.

The role will be to project manage requirements and surveys coming in and manage the install projects.

Would suit someone who knows Fire Alarms/ BS 5839, and is tired of site based roles.

This would be 4 days in office and 1+ Days to visit sites or Project/ Customer visits from Hampshire office where you would manage small works installations.

Benefits for Fire systems Small works Project Manager/ Small works Installation Manager (fire alarms)

c. £50,000 Salary

Great Holidays at 25 days starting + Bank Holidays!!

Company Car or Allowance

Permanent Benefits Package

Continued development and courses
