Smart Repair Technician

Salary/Rate

£15/hour

Location: Bedford, Bedfordshire

Company: Meenz Recruitment

Our client is well-established UK's company with over 25 years of fleet management experience. They put a strong emphasis on their employee's development and provide them with a friendly work environment.

As an employer, our client puts a strong emphasis on your personal development, hence they will always recognise and reward your achievements.

The job in a nutshell

Salary: £15/hour

Day Shift

7 am - 5 pm

Overtime available

Monday to Friday

Bedford

As a SMART repairer, you'll be an expert in repairing small and medium imperfections on various parts of the car, including the alloys, fabrics and windshield. Our onsite body shop

facility has only one purpose, to produce cars for display and eventually a sale.

The successful candidate for Smart Repair Technician position will have previous experience in a similar role and strong teamwork skills.

You will be welcomed into a friendly team and have the opportunity to work with an exciting product.

We are the growing Automotive Recruitment Agency based in Corby, Northamptonshire.

We have many candidates and opportunities in the automotive sector across the UK. Please get in touch with us if you are looking for a new job opportunity or would like to become our client.
