

SMT Technician

[Apply Now](#)

Company: Forde Recruitment Ltd

Location: Sheffield

Category: computer-and-mathematical

Forde Recruitment are proud to be partnering a Sheffield-based manufacturer, established for over 50 years in their search for a SMT Technician.

Their products are designed and manufactured to the highest standards and are rigorously tested before they are sent to clients. They provide customers with the highest service levels, ensuring that all their needs are met quickly, efficiently, and professionally.

Job Overview:

We are looking for a person who is experienced in running SMT Pick and Place machines and is committed to producing quality products.

Salary : £30,000-£35,000 (Dependant on experience)

Location: Sheffield

Responsibilities include but not limited to,

* Develop, test, and maintain SMT pick and place equipment.

* SMT Manufacturing and establishing a lean manufacturing SMT line.

- * Make soldering profiles for hot air rework and SMT reflow equipment.
- * Program SPI (solder paste inspection) Machines / Stencil Printer Machine.
- * Make new programs for SMT screen printers.
- * Keep up a solid working understanding of workmanship standards.
- * Discuss soldering quality with engineering, and adjusting controls as directed.
- * Coordinating with a great team spirit.
- * Other duties as required in the SMT department.

Requirements

- * Understanding of SMT processes, equipment, and tools.
- * Knowledge of electronic components, circuit boards, and soldering techniques.
- * Familiarity with reading technical drawings, schematics, and assembly instructions.
- * Previous experience in electronics assembly or related field is beneficial.
- * Training or certification in SMT equipment operation and maintenance can be advantageous.

This vacancy is being advertised on behalf of Forde Recruitment Ltd who are operating as an Employment Business. Unfortunately, due to the high volumes of applications we are currently receiving, we are only able to contact candidates who are successful in progressing to the next stage. If you have not been contacted within 7 days of your application, then please presume that you have not been successful on this occasion and continue to search on our website for additional opportunities.
