

Solderer

[Apply Now](#)

Company: KPJ Group

Location: Ashton-under-Lyne

Category: architecture-and-engineering

We're hiring for a Solderer to join a well-established electronics manufacturer based in Dukinfield, Tameside. The company design and manufacture electrical products for the life sciences, aviation and automotive industries, providing expert solutions and the highest levels of product knowledge.

The job role includes helping to assemble many different products so you'll need to be competent at soldering and working from written instructions / diagrams.

What's on offer?

* £11.50 - £13.00 per hour

* Mon to Thurs 8:00 am – 4:30 pm / Fri 8:30 am – 2:00 pm

* Overtime available

What will you be doing as a PCB Assembler?

* Placing electronic components onto PCBs (printed circuit boards) and then to either hand solder them into place, or to use an automated selective solder machine

* Carrying out inspections and quality of products to ensure they meet the required standards

* Ensuring all products meet both the requirements of current build lines and comply to the company wide quality standards

* Carrying out basic mechanical tasks using small tools and other general assembly tasks

* Conducting any general assembly tasks including the use of hand tools, fixtures and fitting

What do you need?

* Electrical / PCB assembly experience

- * Strong soldering skills and the ability to do dexterous work
- * Understanding of components idents and markings are essential
- * Reliability and a flexible working attitude
- * Good attention to detail

What's nice to have?

- * Rework / test / mechanical build experience

This is a great opportunity for a keen and conscientious individual interested in electronics. If you have soldering skills along with the patience for intricate, detailed work we would love to hear from you. Apply today for consideration or speak with Meg at KPJ Group for more information.

KPJ Group are a specialist Recruitment Consultancy with more than 40 years of experience delivering staffing solutions. We treat each application with a high degree of care however due to the high volume of applications are sometimes unable to contact all individuals. If you do not hear from us within 5 days of submitting your application, please assume that unfortunately you have not been shortlisted
