

Solutions Architect

[Apply Now](#)

Company: Fruition IT

Location: England

Category: other-general

Role: Solution Architect Rate: £600-650pd (Outside IR35) Location: Fully remote (UK based)
Length: 6 months Fruition IT are recruiting on behalf of a large-scale betting & gaming organisation in the UK. They're looking for an Architect to work on a large-scale international integration project following a recent acquisition. You would design solutions across a wide tech stack, taking into consideration nuances specific to international betting & gaming (especially campaigns, promotions, and regulations). What I love about this company: Modern technologies A business going through massive growth and change Truly inclusive and diverse business Many of the UK's top Engineers work there Requirements Strong track record as an Architect Integration experience Campaign & promotions experience Betting & gaming experience (desirable) We are an equal opportunities employer and welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation, or age.
