

## Solutions Architect

[Apply Now](#)

Company: Eames Consulting

Location: London Area

Category: other-general

Solutions Architect Hybrid - London £75-90,000 base with bonus Eames consulting are delighted to be working with an established bank that are on the lookout for an experienced and talented Solutions Architect to join their team. The evolving team where you will be designing and developing high performing scalable Java systems. The Solutions Architect will be responsible for designing and implementing innovative solutions that address our clients' business challenges and drive growth. The ideal candidate will have a strong background within Financial services, excellent communication skills, and a passion for delivering exceptional results.

**Responsibilities:** Collaborate with clients to understand their business needs and objectives. Design end-to-end solutions that meet client requirements and align with industry best practices. Develop detailed technical specifications and architectural diagrams. Lead the implementation of solutions, working closely with development teams and other stakeholders. Provide technical guidance and support to project teams throughout the development lifecycle. Conduct regular reviews and assessments to ensure solution quality and performance. Stay up-to-date on emerging technologies and trends in the industry.

**Qualifications:** Bachelor's degree in Computer Science, Engineering, or related field (Master's degree preferred). 5 years of experience as a Solutions Architect or in a similar role. Strong analytical and problem-solving skills. Excellent communication and presentation abilities. Ability to work independently and as part of a team. Relevant certifications (e.g., AWS Certified Solutions Architect, Microsoft Certified: Azure Solutions Architect Expert) are a plus.
