HubSpot Solutions Architect Do you dream in workflows and automations? Are you passionate about helping businesses thrive with HubSpot? We're looking for a talented HubSpot Solutions Architect to join our growing team! In this role, you'll be the mastermind behind crafting exceptional HubSpot solutions for our clients. You'll translate business needs into strategic HubSpot implementations, ensuring our clients leverage the platform's full potential. You will have a passion for everything Hubspot and you will be keen to lead the way in creating value for your clients and taking advantage of new developments on the platform.

**What You'll Do:** Lead the design and execution of HubSpot solutions, mapping client requirements to the ideal platform setup. Collaborate with our consulting team to provide technical expertise on complex HubSpot projects. Design and document robust HubSpot configurations, workflows, and automations. Integrate HubSpot with other business-critical applications to create a seamless user experience. Stay up-to-date on the latest HubSpot features and functionality. Deliver exceptional presentations and training sessions to both internal and external audiences.

**What You Bring to the Table:** Proven experience from a similar role. Deep understanding of HubSpot's capabilities across Sales, Service, Marketing, and CMS Hubs. Knowledge of HubSpot certifications. Experience with data modeling and designing Hubspot systems. Excellent analytical and problem-solving skills. Top-notch communication and presentation skills. Ability to work independently and lead a collaborative team.

**Why You'll Love Working Here:** Be part of a passionate team dedicated to helping businesses achieve their goals. Work on challenging and rewarding projects that make a real impact. Continuously learn and grow your expertise in the ever-evolving HubSpot

landscape. Enjoy a collaborative and supportive work environment. Ready to join the HubSpot revolution? We are! Apply today!
