

Specialist Registered Consultant Vacancies

[Apply Now](#)

Company: HealthHarmonie

Location: United Kingdom

Category: other-general

HealthHarmonie Ltd is a fast paced, growing organisation that operates in the Healthcare sector based in the vibrant city centre of Birmingham. Established in 2003 HealthHarmonie has grown with the ever-changing healthcare industry and the access to NHS services that patients have today. HealthHarmonie Ltd work in partnership with a number of NHS Clinical Commissioning Groups nationwide to provide patients with access to community services closer to their home, these include; Diagnostic Ultrasound, Gynaecology Services, diagnosis and treatment of Dermatological conditions, Ophthalmology services and the provision of extended Minor surgery procedures.

By joining the HealthHarmonie family you will be a part of the fundamental infrastructure needed to deliver excellent patient care across the UK. Whether this be joining us in a clinical role or an administration role your presence in HealthHarmonie is vital. All of our roles require you to have an innovative thought process, a willingness to learn new skills and the want to be in charge of your own career by taking ownership of the role you are completing.
