We are seeking someone with a dynamic approach, who can work collaboratively and effectively with others within both the SLT team and the wider multi-disciplinary team.

Main duties of the job

The post holder will support the preschool and school aged teams within schools and settings across Gwynedd and Anglesey.

The SLT preschool and school aged team is committed to evidence-based practice and continuing professional development. Regular team meetings and regular supervision ensure that a high quality of service is provided, and the post holder will contribute to the development of a service which is constantly seeking to improve.
