## Sr. Global Commodity Manager - Raw Materials

[Apply Now](#)

Company: DSJ Global

Location: United Kingdom

Category: other-general

We have a current opportunity for a Sr Global Commodity Manager - Raw Material (Metals) on a permanent basis.

will be responsible for the financial and operational performance within the raw material category (brass, copper, steel, wire and aluminum). The Sr. GCM is accountable for all supplier selection decisions and operating performance relative to cost, quality, and delivery. The Sr. GCM is responsible in developing a global commodity strategy that help enable the businesses execute their operations plan. The strategy will include input from BU stakeholders to insure we have alignment on who we select to partner with in support of our material requirements. The Sr. GCM operates primarily independently but guided with input from the VP, Sourcing and BU VP/GM's. The Sr. Global Commodity Manager is looked at as an expert in the department to guide less experienced buyers. The Sr. GCM and will have frequent interactions with the Senior Management team.
