Staff Nurse Lewisham Clinical Full time Permanent

Staff Nurse - Join Our Renal Nursing Team!

Calling All NMC Registered Nurses and Soon-to-Be Grads!

Ready for an Exciting Nursing Career in Dialysis? Looking for Competitive Pay and Work-Life Balance?

At Diaverum, we're excited to offer an incredible opportunity for nurses (whether you're experienced or in training) to join our Lewisham clinic. As a renal nurse, you'll specialize in a dynamic dialysis environment while building meaningful patient relationships.

Your Responsibilities:

- Developing and overseeing care plans for renal patients.
- Ensuring clinical activities are meticulously documented.
- Preparing and monitoring dialysis machines and systems.
- Reviewing pre and post-haemodialysis care with patients.
- Collaborating within a multi-disciplinary team.

Requirements:

- NMC Registered General Nurse or due to qualify in early 2024.
- Familiarity with the NMC code of professional conduct.
- Ability to work autonomously and in a multi-disciplinary team.
- Positive and dynamic approach to delivering safe and effective care.
- Excellent English communication skills.

What We Offer:

- Full-time position (37.5 hours per week).
- Monday to Saturday shifts, with **no night or Sunday work** .
- Starting Salary of up to £33,719, based on dialysis experience plus generous location allowance
- Overtime paid at time and a half after completing full-time hours
- Opportunities for internal development and career progression.
- Generous holiday package.
- Holidays on Christmas and New Year's Day.
- Life Assurance, Peppy, We Care, Company Pension.
- Referral scheme paying up to £1,000.

Please note that clinical experience in a renal setting is preferred but not essential, as we provide comprehensive training.

You must be able to work clinically in a renal setting.

Why Choose Diaverum?

We're committed to nurturing your career and providing top-tier training. New nurses at Diaverum embark on an 8-week supernumerary period, guided by our experienced Clinical Leads. This intensive training sets you up for success and growth throughout your career at Diaverum. You'll also have access to a robust senior team structure and a dedicated mentor within the clinic. The facilities in Lewisham are kept to a high standard.

Patient-Centered Care

Our exceptional nurse-to-patient ratio of 1:4 ensures you have ample time to provide holistic care to your patients. Our clinic in Lewisham is open from Monday to Saturday, with shifts running from 6:45am to 23:00 pm, offering you the flexibility and work-life balance you've been searching for. Plus, we value your downtime – our clinic does not operate on Sundays.

COME GROW WITH US!

Join our team and embark on a rewarding career in renal nursing. Be part of a healthcare community dedicated to delivering exceptional patient-centred care. We encourage you to apply today, as we reserve the right to close this role early upon receiving a sufficient number of applications.

All positions at Diaverum are subject to a satisfactory DBS (Disclosure and Barring Service) check as part of our recruitment process.

Diaverum - Where Caring Meets Excellence in Renal Care.

Who We Are

WHO WE ARE: Diaverum's mission is to improve the quality of life for renal patients and we achieve this through our values of being competent, passionate and inspiring.

Being one of the world's leading renal care providers. Diaverum have over 35 nurse led kidney treatment centres in the UK offering haemodialysis, peritoneal dialysis, home therapies, shared haemodialysis care and more. Our nurses are proud to work closely with NHS teams across the country to deliver quality treatments and holistic care to our patients with chronic kidney failure and other comorbidities.

Diaverum offer a fantastic training platform to enable nurses to deliver excellent quality care and develop their career within the renal speciality. Nurses new to Diaverum will undergo a comprehensive induction period where they will be trained to deliver the care required with in the clinic. You will be supported by a senior team structure to prioritise nurse development and wellbeing.

Our nurse to patient ratio is 1:4 giving you the required time to care for your patients holistically. Our nurses work a range of shifts including earlies, lates, and long days between Monday to Saturday (No Sundays) allowing for a flexible working pattern.

We focus solely on caring for the individual needs of our patients and take pride in being an equal opportunities employer to achieve this. We are proud to be the leading independent renal service provider in the UK. We operate in 24 countries globally, with opportunities for our team to move between clinics and even countries.

Come join us.
