

Staff Nurse - ICU

[Apply Now](#)

Company: Cleveland Clinic

Location: London

Category: healthcare-practitioners-and-technical

Our vision is to be the best place for healthcare anywhere and the best place to work in healthcare.

We believe that every life deserves world class healthcare.

Job Summary

Salary : £37,500 - £45,000 (Depending upon experience)

Hours : 37.5 hours per week

Location : 33 Grosvenor Place, SW1X 7HY

Contract : Full time, permanent position

What are we looking for?

Cleveland Clinic London are looking to recruit a Staff Nurse to join our ICU team, with a competitive salary on offer up to £45,000 depending upon experience.

This is a Monday-Sunday, Days, Nights and Weekends role with the following shift patterns:

6 week rota of 19 shifts

08:00 – 20:30 and 20:00 – 08:30

The Intensive Care Staff Nurse will be responsible for the assessment, planning, implementation and evaluation of care of patients requiring level 2 and 3 care under indirect supervision from senior staff. They are expected to be able to provide general and specialised direct nursing care in accordance with established policies, procedures and protocols of the healthcare organisation.

What makes us different?

Cleveland Clinic London offers a brand-new high-acuity environment with the very latest equipment, where caregivers are encouraged to grow their expertise across multiple specialties, and in collaboration with expert clinicians. Our Mission, 'Caring for life, researching for health, and educating those who serve', assures our unwavering commitment to professional development.

Our expert Critical Care nursing team is a dynamic group of decision-makers who work collaboratively to make a lasting positive impact on the lives of our patients. Safe patient care is always our goal, and we leverage innovation and technology in order to achieve world class outcomes in our state of the art 29 bed ICU department.

What will your duties include?

Provides direct nursing care to patients requiring level 2&3 care in accordance with established policies, procedures and protocols of CCL.

Prioritises nursing care, recognizes deterioration in patient's condition and escalates to the senior nursing team /clinicians immediately.

Serves as a primary coordinator of all disciplines for well-coordinated patient care.

Assesses and coordinates patient's discharge planning needs with members of the healthcare team.

Leads the nursing team in the delivery of patient care collaborating with other disciplines to facilitate achievement of planned and expected outcomes.

What we need from you?

Current nursing registration (First Level) through the Nursing & Midwifery Council (NMC) required, with no restrictions to practice

Must be willing to undertake relevant post-registration courses

Demonstrable clinical experience in the field of high acuity critically-ill adults with invasive lines, mechanical ventilation, continuous and intermittent hemodialysis, and vasoactive intravenous medications in a hospital setting.

Wide range of experience working in critical care specialties including cardiac and cardiothoracic, neurosurgery, renal, and GI surgery.

Completed Step 1 Critical Care Competencies Course

What can we offer you?

As a private hospital with no shareholders, we reinvest profits back into our organisation.

This means we can offer tailored support and development for caregivers, alongside benefits such as:

25 days annual leave (plus bank holidays)

Auto-Enrolment of 5% pension - Cleveland Clinic contributes 10% through Salary Exchange

Season Ticket Loans & Cycle to Work Scheme

Life Insurance, Private Medical & Dental Insurance and Eye Care contributions

Workplace Nursery Scheme

Discounted on-site gym facilities

24/7 Holistic Employee Assistance Programme

INDCCL

Who we are?

Cleveland Clinic is one of the leading providers of specialised medical care in the world, providing clinical excellence and superior patient outcomes for almost 6 million patient visits per year across more than 200 locations. We employ over 80,000 caregivers worldwide and continue to drive innovation in healthcare.

With over 100 years of history, our “Patients First” philosophy is at the heart of everything that we do.
