STAFF NURSE – Day shift

Armagh

£19 per hour

I am delighted to be recruiting on behalf of a fantastic general nursing facility in Armagh!

This home is medium-sized, with a passionate and caring healthcare team providing general nursing care to the residents onsite.

As a nurse here, you will:

Help promote a positive atmosphere,

Administer prescribed medication,

Follow personal care plans for each resident,

Monitor their vital signs and any changes they present,

Help them to participate in organised activities from the social teams,

And help direct junior nurses when needed.

The employer is offering discounted meals from the house chef, making it easier for you to have a filling lunch each shift.

Along with free parking, a pension contribution scheme, and paid annual leave, this is a fantastic role for any RN with:

A clear and full NMC registration,

And prior experience working within a similar role.

Contact Shannon @ Reactive on 02890099211 to have a confidential chat about this role and others nearby.
