Are you a Registered Mental Health Nurse?

I am recruiting on behalf of a new facility in Ballymena, caring exclusively for mental health requirements.

This role is best suited to someone with:

Significant experience working with those who require mental healthcare.

A clear nursing pin.

And prior experience working within private healthcare.

You'll join a small-sized unit and work alongside your own activities team to help support residents attend and fully enjoy any events planned for the week.

I am keen to discuss the shift pattern and location with anyone who is interested to find out more.
